Jim: Earlier today I faxed to you a new notice of Sandy Nell's Kerry Mine Project. I did not have a file number assigned at that time. The file number is S/021/034.

The proposed project is located in:

E1/2 of the SW1/4 of the NE1/4 of Section 33
Township 31 South, Range 16 West
Iron County, Utah

The description on his notice is a little weird, but according to the map, it looks like the description described above is more accurate.

Your 10-day turnaround is appreciated.
